BELMOND
VILLA SANT'ANDREA
TAORMINA MARE

Set on its own exclusive beach, beside one of the most beautiful coastlines in all of Italy, Belmond Villa Sant'Andrea overlooks the aquamarine sea. Built by an aristocratic family in 1830 among lush, subtropical gardens, this secluded retreat retains all the charm of a private residence. It enjoys a reputation as one of the most romantic hotels in Taormina.

Settle into a sun-dappled seat and relax. Then, when action calls, a cable car whisks you in just three minutes to the town centre, with its many cultural attractions and sophisticated shopping scene.
