

Located on a private street between Via Montenapoleone, Via della Spiga, La Scala and the Accademia di Brera, in a tastefully renovated 18th-century Milanese palazzo is the Bulgari Hotel Milan. Situated in the cultural and commercial heart of a city that, behind its austere façades, hides delightful and unexpected courtyards and green spaces.

One such space is the Bulgari Hotel's 4,000-square-meter private garden, a natural extension of the nearby Botanical Garden, a restorative oasis of serenity and relaxation in the midst of Milan's busy pace.
